## **ABOUT THE SCHOOL OF INSURANCE STUDIES**

The School of Insurance Studies (SIS), started in 2002, has already established itself as the premier institution maintaining the highest standards of education and professional skills in the field of Insurance. SIS provides quality learning experience and skill development opportunities to the students. We have a young and dynamic team of faculty members who are moving with the vision of producing world-class Insurance professionals. The course content has been designed, keeping in mind the needs and requirement of the insurance sector with subjects ranging from Underwriting to the concepts of Reinsurance including Risk Management and at the same time the course introduces the students with quintessential of management, giving the essence of both. The students of the institution, with their efficiency and performance have established National Law University as a distinguished name in the field of insurance studies and research.

National Law University Jodhpur is a fully residential university with adequate accommodation for all its students. The entire campus is provided with wireless Internet connectivity.

The Insurance Industry in India has tremendous growth potential in Life and Non-Life sectors, taking into account the low penetration and density of Insurance coverage compared to the developed economics. The next decade is expected to witness a phenomenal growth in the career opportunities for the insurance professionals.
