ABOUT IBBI

भारतीय दिवाला और शोधन अक्षमता बोर्ड

Insolvency and Bankruptcy Board of India

The Insolvency and Bankruptcy Board of India [IBBI] was established on 1st October, 2016 under the Insolvency and Bankruptcy Code, 2016. As the cornerstone of India's insolvency ecosystem, IBBI plays a vital role in regulating and overseeing processes that deal with the reorganization and insolvency resolution of corporate entities, partnership firms, and individuals. Its primary objective is to ensure that these processes are carried out in a time-bound manner, enabling the maximization of asset value, promoting entrepreneurship, improving the availability of credit, and balancing the interests of all stakeholders.

What makes IBBI unique is that it is a regulator of both professions and processes. It exercises regulatory oversight over Insolvency Professionals, Insolvency Professional Agencies, Insolvency Professional Entities, and Information Utilities. IBBI also works to promote the development of best practices among insolvency professionals and related institutions. By ensuring efficiency, transparency, and accountability, IBBI upholds the larger objectives of the Code and strengthens India's insolvency framework.

ABOUT CIBS

The Centre for Insolvency and Bankruptcy Studies [CIBS] was established in August, 2019 with the objective of pursuing and promoting innovative scholarship and research in insolvency and bankruptcy laws.

In furtherance of its objectives, the Centre has undertaken several academic initiatives aimed at fostering scholarship, including conducting two editions of the **CIBS-IBBI Intra College Essay Writing Competition**, and two editions of the **CIBS-IBBI Online Certificate Courses**, both of which achieved immense success with over 650+ registrations.

In 2023, CIBS announced the launch of ***Solventia - Journal of Insolvency and Bankruptcy Laws***, a bi-annual, double-blind peer-reviewed journal published in English. Being the sole insolvency and bankruptcy law academic journal in India, it has received more than 300+ submissions across its first three issues, with Volume II, Issue 2 tentatively scheduled for publication in October, 2025.

Moreover, the CIBS Blog launched in 2020, was rebranded as **The Restructuring Ledger** in 2024, under the ambit of *Solventia*. Since its inception, it has continued to feature insightful contributions that enrich the discourse on insolvency and bankruptcy law.
